> (Chorus) Oh, knights of the Silver Order, Defenders of the Sacred Flame. With courage as our sword, We'll cleanse the world of arcane.
> (Verse 2) From the Holy City of Lumen, our journey begins, Across lands and borders, where darkness sins. Noble and common, united we stand, In the face of evil, we make our stand.
> (Chorus) Oh, knights of the Silver Order, Defenders of the Sacred Flame. With courage as our sword, We'll cleanse the world of arcane.
> (Bridge) Though our past may be stained, by deeds of old, We strive for redemption, with hearts bold. For justice and righteousness, we raise our voice, In the name of the Divine, we make our choice.
> (Verse 3) Through trials and tribulations, our faith remains strong, Against witches and warlocks, we'll right the wrongs. With the Light as our guide, we'll never falter, For we are the knights of the Sacred Flame's altar.
> (Chorus) Oh, knights of the Silver Order, Defenders of the Sacred Flame. With courage as our sword, We'll cleanse the world of arcane.
> (Outro) So let our song ring out, across the land, For the Silver Order, noble and grand. In the name of the Divine, we'll forever fight, For truth and justice, in the darkest night.
