session 32 (19/03/2023)

- wildmother shrine
  - combat ended
  - Lucy tree peptalk
    - Shira is fears only being able to destroy
    - Lucy makes her plant the feather token in the temple garden grounds
    - Shira is able to create stuff
    - rest of the party convinces Shira to come and sleep with them to be safer
    - Shira only takes her teddybear *(i forgot the name :/)*
    - Lucy gives her her sleeping bag so she still has something
  - Shira comes with the party
- back top the tavern
  - Shira is able to take a bath
  - Quiwynn room scene
    - Shira pets Luggage
    - Lucy can't tolerate Luggage yet
    - Shira throws a Linda out of the bag of tricks
    - Lucy is not good with animals at all
    - Shira snuggles with Linda to sleep
  - James finds a summon letter for tomorrow morning at 6am
- palace summon
  - rubbles around the palace
  - throne room
    - Jamon is on the throne
    - Gemeshega is near them
  - Jamon conversation
    - some pleasantries are exchanged
    - Shira is escorted out by Gemeshega out of the room to take care of her while the party talks
    - Jamon asks teh guards to leave too
    - proper talk starts
      - asks the party if they know why they are here
      - party starts explaining a lot what happens
      - Jamon laughs and says that the party isn't here to be punished
      - Jamon surprised the party took so little
      - Jamon is amused by the fact Lucy isn't able to not be hyper-formal
      - Jamon transforms into their true form
      - must not speak about the gem nor Jamon's true form
      - Jamon will see what they can ask for the party to go in the excavation
      - Jamon will protect Shira (Lucy 34 insight vs 24 persuasion from Jamon)
      - party shows the items they got

        - Lucy by force of habit made a transcript and give it to Jamon who proceeds to burn it
        - Figuel invites Jamon for a breakfast on day down the line and they take up on the offer
    - Shira discussion
        - explain to her that Jamon will help her and take care of her
        - Lucy gives Shira yet another tree token
- to the First eclipse
    - need to order before going downstairs
    - bar clients staring at Lucy

        > “ you got a problem ?

        - bar fight looking to start from Lucy's response
        - barkeep stops it before it starts and bring ppl outside
    - outside the bar
        - barkeep asks what the hell Lucy was thinking provoking them
        - armored dwarf guides the party in the basement
    - basement
        - party explains the haunting by a banshee (half thruth)
        - Shira is leaved out of it
        - Detect Thoughts from Lucy reveals reveals the dwarf doesn't by fully what the snotty brats are saying
        - contracts is still completed so Cali needs to go with him alone
        - after some talking Cali goes alone with a mind link just in case
        - Cali goes alone with the dwarf
            - *whisper time :D*
        - rest of the party
            - Lucy buys a scarf for Quiwynn as a thanks for the scarf Quiwynn gave her in the sewers
                - dark forest green outlined with some bark brown patterns
            - Quiwynn eats a lot during the wait
                - Quiwynn looks slimmer
                - it's the whip's fault
            - *forgot what Figuel and James did, sorry... :/*
- downtime
    - training
        - Cali finishes their mobile training
        - James gets shield master
        - Quiwynn studies Luggage more
            - *need to ask again as i don't want to write something wrong*
        - Figuel starts actor training (23/25)
            - party got invited to a play he made at the end of the week
        - Lucy starts learning Linguist (23/25)
            - elven (Quiwynn), abyssal (Quiwynn), primordial (Cali)
            - being the head underwater makes it hard for primordial

    - Quiwynn feeds the whip in the colliseum
        - Quiwynn nearly kills her opponent in her last match
    - *nat 20 wis save for Lucy with Luggage*
        - maybe the start of a peaceful coexistance ?
- Inn after downtime
    - Prolix meets the party during breakfast

        > “ congratulations are in order

        - burocracy moved very fast for the party
        - we are privy to Cael Morrow in the Maw
        - Prolix surprised we knew about the city already
        - they "drained" part of it so it's easier to explore
        - allegiance need some help
            - might be another way in
            - worried about other getting in the other routes
            - ways through the city oasis and the life dome
        - reward talk
            - 500gp
            - Prolix bungled it and asked us to tell negotiations from the planned 300gp were tough
            - not a hard sell with what Quiwynn and Lucy did with Jor Raashid last time
            - right to explore the excavation
