        - ground resonated with a warm energy
        - Lucy tries to repair it

> You see a variety of weapons, A bow, a whip, a pair of purple blades illustrated with glowing energy. You also see a pair of bare hands and tamed mourbounder.

        - *rolls 30 investigation*
        - it's a puzzle

> 1. A human male wearing short fabric, bald head pictured with the sea behind him.
> 2. A cat-faced humanoid with shaul around thier neck, and a symbol of Avandra around their neck
> 3. A red haired boisterous female dwarf in half plate with a red cloak.
> 4. A cocky elven male in heavy armor.
> 5. A hobgoblin in mundane earth coloured robes wearing a moon shaped necklace.

        - it looks uncannily reminescent of the tools we use and some of our caracteristics

> 1. Bare hands
> 2. Purple Hands
> 3. Bow
> 4. Whip
> 5. Tamed Mourbounder

        - *visions for another place and time while placing them*
            - Cali: a bout/race, never again (Alyxian mentionned)
                - figure appears and kneels
                - words on the ground

> This——record of me stating——I will never, ever race you again.

                - guess:

        - idk what is missing here
    - Lucy see the soul in the ring going out to embrace the figure while saying Bardo
- Lucy: hate the stairs, first battle in the morning, no one expect to survive, especially her, wound around her neck hurt, finds resolve, pushes through
    - figure comes out and kneels
    - words on the ground

      > “Kindred --nds forever. Don’t——forget——

    - guess:

      > “Kindred *bonds* forever. Don't --forget--

        - idk if the end is missing stuff
    - Lucy see the soul in the ring going out to embrace the figure while saying Fragile Silk
    - Lucy holds her own neck and rubs her throat
- Quiwynn: whisper behind your back, they fight against teh betrayer forces, you and your commander with teh moonweavers blessing, hope the prayers to Avandra are enougth
    - figure appears and kneels
    - words on the ground

      > “Your spirits are missed, your braveness will --, but most of all you always -- me up

    - guess:
        - idk here, i don't think i have enought to make an educated guess yet
    - Lucy see the soul in the ring going out to embrace the figure while saying Ardralynn Ambergris
- James: drinking at a tavern, heavy armor, efforts from the day, whip at the side, curly head fellow with golden eyes, buying another round of drinks
    - figure comes out and kneels
    - words on the floor

      > “You owe me a drink in Marquet, A——

    - guess:

      > “You owe me a drink in Marquet, *Alyxian*

    - name in the vision: I, Lith Talath

        - Figuel: cooking a stew, midday, 100s soldiers in a line, glancing a table where the companions are, with curly hair commander, smile in their direction, and special stuff in their meal
            - figure comes out
            - words on the floor

                > This——written proof——promise to see the forests of your homeland one day

            - guess:

                > This *is a* written proof, *that I* promise to see the forests of your homeland one day

            - Lucy see the soul in the ring going out to embrace the figure while saying Master Fiddleleaf
        - the commander, with curly golden hair might be Alyxian
            - from what is written it seems this is him that "wrote" this text, or at least his point of view
    - talk with Foghome
        - glad the names aren't lost to history
        - prepares a bowl of herbs
            - *vision time*
            - Alyxian in the vision

                > they are counting on me, they need me but i'm exhausted, what do i do ? please tell me what do it do ?

        - passes in front of everyone while waking the party up
            - Figuel
                - waves a rock

                    > this must have belongued to you, this does not belongs to me i think it is yours.

                - moon neckale with a heart in the center
                - family heirloom
            - wakes the rest of the party
- back to the Barracks
    - late in the afternoon

    - in the war-room again
        - Sacrifice Engine will be shutdown to preserve it's magic
    - wont stop us from entering
        - offer some supply
            - Quiwynn arrows
            - James plate armor
            - Lucy oil
        - tell them we expect to leave in the coming days as we need to tie a couple of loose ends here first
- *lvl 6 now !*
