session 30 (05/03/2023)

- treasure site
  - secret room passage
    - corridor to the top
      - light on the right side of the cavern
        - James sees piles of gold
        - big cavern filled with treasure
        - ornate pillars and statues
        - Lucy casts Detect Magic
          - *fill later*
          - mirror is magical
          - some magic items
            - Ring, Spell Scroll, Robe with Patches, Plate , Bead, Mace, Potions x3, Haversack, Feather token, Longsword. Emerald, Black pearl, Bird Cage, Warhammer,Diamond
            - warhammer +1 taken by James
            - ring taken by Cali
            - bird cage taken by Lucy
            - diamond taken by Figuel
          - statues are golems
            - they animate when James takes the warhammer
            - a brass dragon appears
            - the party goes through the mirror
            - dragon dissipates (illusion)
        - big mirror
          - reflection of a room with sofas
            - same style as the palace
            - skyline of ank'harel
    - corridor going down
      - circular holes in the walls
        - *not explored yet*
        - wont be explored as we teleported before
- mirror room
  - desc
    - fancy room
    - teleportation circle
    - desk
      - letters to Devo'ssa
      - drawer
        - Figuel blows himself up when opening
        - nasty magical aura coming from it
        - Figuel leaves it inside

        - other drawer
            - no traps when Figuel opens it
            - state papers
            - Lucy losing her mind seeing Figuel opening a drwaer with state secrets
            - Figuel leaves everything in place
        - sofa
        - sky high
        - maybe center of the city
        - telescope poiting down
            - to the Maw
            - guards are slumped on the ground
        - elevator going down
    - snake ppl outside
    - burning rubbles
- thrown room
    - all the guards and ppl are asleep from teh same poison as the crew
    - lady on the throne
        - desc
            - elderly female human
            - nice jewelry and clothes
            - The Grand Maven / Gemeshega
            - acting chancellor of the throne when Jamon isn't here
        - Lucy tries to wake her up with the horn of silent alarm twice to no avail
        - Figuel uses lesser restoration to wake her up
        - Gemeshega turns the alarm as she is surrounded
        - informing Gemeshega of the abridge version of the city poisoning issue
            - Gemeshega doesn't like the fact the party came from upstairs
            - Jamon is the ruler of Ank'harel and the dragon owning the hoard we can from
            - Gemeshega for now lets the party go out to help if they can as she "believes" that the party isn't aiming to harm the city
            - the party will be summoned later for further questionning when Jamon finally arrives
        - next elevator going down
- palace grounds
    - collapsed spire with ppl pinned under it
        - party places them down to safety
        - Cali find a young conscious girl
    - patrol with a minotaur
        - friendly, glad some ppl are here to help
        - minotaur is Ironhand Sem
- to the Maw
    - ppl start waking up
        - maybe too late ?
            - *OOC: it is definitely too late as we spent the entire duraction of the poison effect away on the shyship and dungeon*
        - Yuanti's might have finished their deed while ppl were asleep
- Maw of Cael Morrow

- desc
  - big hole
  - spiraling down wooden structure
  - big tents
  - big fires
- groggy waking up guards

  > “ you are not allowed to go down

  - wasn't the best place to go apparently
