session 39 (07/05/2023)

- hospital
  - first floor
    - *fight script*
      - sorrowsworn resist bludgeoning damage even if magical
      - James doesn't want a hug
      - giant husk come and tries to smother Lucy but she can't be
      - Lucy shoves a Sorrowsworn in the room in the side and closes the door
      - Cali kneecapped the husk
    - James opens another door
      - desc
        - barricaded door with a bookshelf
        - beds
        - dimly lit
        - ppl inside
          - Female inside

            > “ i'm not letting you harm him

          - 4 ppl inside
          - eerie tranquility
          - woman clad in red
            - Larthul
            - at the door
            - rapier
            - emblem of teh consortium
            - she was here during the assault on the Yuanti prisoner wagon with Kelkhur in the background
          - nurse
            - red robed
          - old sick elf
            - Lyndon
            - ruidium all the way over him
            - glowing dim red
            - perfusion of healing mixture
      - Lucy asks for identification
      - ppl in the room are protecting Lyndon
      - Quiwyn pushes the bookshelf down on the woman with the rapier
      - Sorrowsworn comes out and embraces Cali
        - it can tighten the embrace when taking damage
      - Cali gets out of the grapple
      - Quiwynn steps on the bookcase and threatens the nurse for explanation

        - Lyndon tried to help
        - took the corruption for master Adrin
        - one of the 5 leaders of the consortium exposed in the early days
        - Lyndon is trapped in a mental realm
        - nurse is trying to regenerate his flesh but it comes out corrupted
    - nurse thinks its a race against time to save Lyndon
        - the curse can be aleviated by transfering it
        - something Lyndon was able to do before with his magic
        - the husks and sorrowsworn were the result of a failed transfer
        - Lyndon has the blisters and ruidium crystals all over himself
        - visibly aged from last time Quiwynn saw him
        - Quiwynn asks if Lucy can do something
    - detect though
        - failed CHA save
            - exhaustion
            - 2d10 psychic damage
        - barren lands
        - figure in the distance
        - approach
        - body here in some sort of coma
        - spectral figure
            - Lyndon is trapped here
            - deal with the corruption to save him
            - has maybe but a month
            - selfless to allow
    - Quiwynn thankful about it
    - Lucy got very tired and a big nose bleed from it
    - Lucy confronts Larthul with her presence in some places with Kelkhur
        - one of the 5 concil leaders
        - moderate branch of the consortium
        - were exploring too deep about ruidium
        - Larthul will stay here protecting Lyndon
        - seemed geniune about it
    - groundfloor needs to be cleared
- ground floor
    - wriggeling corpses
    - *fight script*
        - Malleables grow when hit by psychic damage
            - *oops sorry*
        - Figuel Force chokes one
        - Cali monk shit
        - Quiwynn 50cal
        - James tis but a scratch
    - James find the same healing device the nurse was using
- back to the first floor
    - telling Larthul that it is cleared downstairs

- *missing the end of the session sorry, wasn't able to take notes and headache i had makes it too fuzzy so might need help here*
- iirc party was planning what was next
