session 41 (21/05/2023)

- prep shopping
  - Lucy
    - Dust of Dryness
    - Orb of Direction
    - Orb of Time
    - Quiver
    - Rope of Climbing
    - Potion of Healing
    - Healer's Kit
    - 50gp
  - Figuel
    - diamonds
  - James
    - Potions of Healing
  - Cali
    - Potions of Healing
  - Quiwynn
    - Potions of Healing
- to the Maw
  - protestors are on the Plaza
    - 20 to 30 ppl
    - they have banners shield scrolls

      > “let the past die in peace ! the citie's memories cannot be disturbed

    - guards are there too blocking them
      - frustration and wearyness
      - bracing for impact
  - Lucy spears the party in the crown to go through
    - one protestor locks eye with Lucy

      > “are you working with them ?

      - tense and cordial exchanges
      - they are against the cael morrow excavation

        > “should have stayed like it was, burried

      - heard from others it was bad
      - tinfoil hat discourse
      - trusts fred the flat earther more than researchers

    - stink bomb kid
        - holding a ready to explode smoke/stink bomb
        - Lucy surprises him by talking in his head
        - Lucy snatches the bomb as it's dropping
        - kid wated to make some mess here, turning the protest into a full blown riot
        - his father, fred, asked him to do so
        - kid is talked into standing down
        - Cali drowns the bomb into water defusing the explosion
    - paper givens to the guards
        - guard is looking a Lucy with doubt at the start
        - eyes widen at the sight of Jamon's name
        - party passes through
  - Busted Guard high-five session
- down in the Maw
  - spiral
    - crates and stuff
    - leader of the excavation here orc from before (Hakzorne)
    - another orc here (Gortag)
        - ppl died

          > “ why are you here

        - Lucy mentions that Pr Insight might need some help
    - waivers are signed to go through
        - Hakzorne shamelessly copied the one Lucy made last time when going down
        - Luggage signed too
  - corridor
    - James got a skype from the aboleth and is seeing blurry
    - 2 guards in the end
        - halfling
            - Nadiya
        - human
            - Kal
  - hub
    - Pr Insight
        - red tiefling
        - black hair
        - blue eyes
        - she/her
    - second group passing through
        - Mighty 5 passed before
        - after some discussion Lucy helps Pr Insight relise that they used forged papers
        - *Lucy starting to give a seminar on forging and its detection isn't exuding trust vibes*
    - Pr Insight asks the party to recover a tablet on the south of the ruins to be "trusted"
    - once that is done Pr Insight will cooperate with what the party needs

    - Lucy grumbles
        - ppl not knowing paperwork
        - not being able to detect simple forging
        - proposes to teach ppl once they are done because this is embarassingly bad from the allegiance
- in the ruins
    - *apologies for the not very precise locations but i don't know the name of the places we went*
    - Quiwynn got a skype from the aboleth
        - the aboleth is a liar ?
        - sizzle told her
        - Lucy thinks sizzle can be trusted on that as it likes its "exclusive ownership" of Quiwynn
    - square
        - outside on the bottom right red veins
            - Lucy concentrate on it
            - blonde curly hair man flash
        - James find a scroll of teleport
    - Olara is at her bar outside
    - tunnel going down
        - water arround running faster
        - mesh pulses more
        - light cube sparking in the ground a lot
            - Lucy can't identify it
        - James picks a random stone on the ground
        - barrier collapses
            - giant shark and 2 swarms of fish (sorrowfish) descend on the party
            - *combat script*
                - Shark can take psychic damage
                - Shark regens on its turn
                - James swims top the shark with its new ring
                - Quiwynn feeds sizzle
                - Figuel removes the entirety of the water that juste collapsed in with Control Water
                - Shark flopped on the ground and became useless
                - water to the knee
                - sorrowfish swarm still hurted a lot swimming in knee high water
