session 45 (25/06/2023)

- Ja'mon/Davosa's lair, the Treasure Rock
  - beautiful and cozy room
  - fresh fruits
  - Shira has made a lot of progress in her sorcerer training
  - talk stuff
    - arm of the betrayer
      - worry if the relation changes
    - aboleth
      - interesting
      - should look at it for more information
    - rewards
      - 1000gp for the traitor mission
      - 3000gp on the next mission
  - gift exchanges
    - Shira gives Figuel a statuette of Jamon
    - Figuel gives her Shira the 100 pocket vest
    - Lucy gives Shira a hand made illustrated child guide to sign language
  - Shira wants to come but she can't
  - farewell talk
- to the maw
  - small boy hands a leaflet
  - weird figure on it
  - unveiling secrets, bla bla bla
    - date: today during the evening
    - the stuff that MAGA Jeff was supporting apparently
  - taking note of it
  - aboleth first
- Cael Morrow
  - the party informs Lucy she has to inform Insight about what happens to Galeokaerde
  - messing around with Horkzorne
  - Pr. Insight lab
    - quieter than usual
    - only Insight her, no sign of Xot or Scribble
    - Lucy informs her about want happened with Pr. Galeokaerde
      - not believing Lucy at all
      - through a long exchange of semantics and rethoric Insight agrees to wait until teh party comes back again
        - Lucy will then do all the depositions needed
        - the reports will be written
        - circle of thruth will be used if needed

        - if at that time Pr. Insight trusts again Lucy she offered to do forgery detection classes as a consultant
            - mainly for Pr. Insight and her students
            - Insight suggested to extend that to a full lecture ppl could attend
            - maybe the hand of ord will also join in
    - Insight notices that James has the ring
        - the one used to frame Prolix
        - Insight is really not trusting the party about the origin they claim for it
        - as per the previous agreement with Lucy she lets it slide for now
        - it will be part of the report she gives back up while the party trudges the depths
        - the party agrees that it will be part of the talks once they come back up
    - Aboleth talk
        - old and dangerous
        - corrupted some of the scientists that descended here
        - Lucy sounds crazy when she tells Insight that they are going to try to talk to it
        - Insight insists on the party comming back alive
        - no promises but we'll do our best
    - James did some stuff in the dormitories in his time
        - he was quite the roudy student
- Cali goes out and uses the visage to shout to bait the Aboleth
    - a Death Embrace comes out attracted by the sound
        - *more fish accompanying it....*
        - this time Lucy isn't the one pushing ppl out of them as she is swarmed
        - when freed Lucy throws a shard with a filament of red energy attached to her hand
            - very short head ache from everyone around
            - Lucy is now where the shard landed
        - it transferes damage to the stuff it is embracing
        - James can take an ungodly amount of attacks from the fish and the Death Embrace
        - rest of the party deals with is swiftly
- Cali skypes aboleth
    - ***Redacted***
- Cali asks Lucy to try to contact the Aboleth
- Lucy begrudgingly skypes aboleth
    - ***Redacted***
    - the party is summoned to the sea of kelps to parley
