session 6 (31/07/2022)

- same night
  - bad night for Lucy
  - Enwhi dreams a lot
  - nothing really of interest
- morning
  - Ezra feeling off
    - has to leave us
    - he was called back, red stain on his arm
    - the conclave needs him
- arriving at the emerald loop
  - bonefire smoke in the distance
  - waypooint for the caravan and local commerce
  - has a killer Mastodon Kor'rundl
  - Wildmother's symbol
    - emerald loop caravan stop under it
  - Horizon Turtle
    - homestead of a family of goblins
      - 1 young kid
        - Little Chespa
        - 3 years old
        - lost her yoyo
          - found it back
          - intricate carving of the turtle
          - gave it to the Auntie
        - had a bad dream
          - frog told to follow it inside the wood
          - it's the kid's "friend"
      - 1 youg female
        - Little Gothby
        - Chespa's sister
      - 2 older ones
  - circle of 7 wagons
  - someone is offering herbal tea
    - smells nice, fragant and minty
    - she is named Auntie Jaller
  - Justice and Rice pudding are here
    - Figuel gives scritches to Rice Pudding
    - Justice gives Figuel night googles
  - Mighty 5 are there too
    - reference to the Mighty 9
    - Ayo talked to Cali

        - Ayo always wanted to lead an adventuring group
        - tried to impressed Cali but failed as we did at least as much if not more
        - surprised that the party is willing to take night camp in the barbed field
    - Little Chespa is missing
        - not normal when Gothby is in charge of her
        - Enwhi doesn't want to search and move on
        - Lucy and Cali apparently *(need confirmation)* want to search for her
        - Enwhi is being stubborn and would leave the party and proceed if they seach
            - Lucy leave that in the hand of Dermy (not Ayo)
            - she tells Enwhi that if she hears that something happenned to Chespa, it's on him
- back on the road
    - Roadside Raiders
        - Canyon and destroyed bridge
        - "Tax collectors" in back of horses
            - Lucy appeared to be the weak link she she was attacked first
            - their leader is focused down quickly
            - Cali takes control of his horse
            - all but three of them flee
        - Lucy bargained their horses
            - silent shoulder chuckle
            - looking them in the eyes
            - headtilt snap
            - whisper into their minds using nightare and periferal voices as a template to scare
            - they all leave their horses
- night
    - Aurora Watch Patrol - Lost
        - demon on the ground
            - turning into black ichor
        - quasit from a corpse
        - *combat script*
            - quasits and shadow demons
            - shadow demon spawns 2 shadows
            - Cali gets STR drained
            - "small misscalculation" from Lucy and she is badly hurt
            - one demon and shadow are down
