session 10 (08-06-2024)

date is Uktar 4th 1519DR ?

- on the docked ship
  - preparing to sleep on board
  - little loud with all the living cargo
  - Nybarg grabs a book for the night
  - Royston feels like someone is breathing down his neck
  - Duck is exhausted
  - heavy footsteps come down the stairs

    > “ MAKE WAY FOR THE CAPTAIN !

    - desc
      - large automaton
      - wielding a glowing large sword
      - tricorn hat
      - shaking hands with passengers and the crew
    - name is Captain Bronze Bones
    - Vincent exchanges pleasantries with the captain
    - Vincent offers services to the crew
    - *not experienced in seafaring but hey*
    - captain mentions that if we make trouble we will face madame ginette
      - it's his sword
    - Calcine also comes to talk to the captain
      - talks about cooking
      - there is a crazy goblin that does the cooking
      - need to be careful if she wants to help
    - Jezz tries to play the lute
      - Stairway to Mount Celestia
      - *yeah... no.*
    - Captain mentions no fire down the deck
      - Calcine asks more details about when is fire allowed
      - makes the captain uncomfortable
      - fire genasi
    - there are 3 life boats on board
  - party can now go to sleep and we depart on the morrow

date is Uktar 5th 1519DR ?

- ship departing
  - small boats have latched on the ship
    - pulling the ship into the sea

    - casting some wind base magic
    - 1h later in the sea
- ship is now at sea
    - sea is black
    - no star in the sky
    - heat lightning strike flashes
- Vincent offers help with moving the cannonballs

> “ that's a fancy shirt are you sure you want to stain it ?

    - casts levitate on it
    - Vincent proceeds to help moving them
- the crew mentions a lot of shadow dangers
    - tl:dr: the place is fucked and everything wants you dead
- Nybarg helps moving a cannon
- a mist starts to form around the ship
    - no reaction from the crew at its sight
    - black amorphous shapes start surrounding the boat
    - the crew throws hardtack overboard
        - the crew feeds them hardtack
        - pseudopods emerge and grabs it
    - Nybarg asks what is that
        - they are shadowfell jellyfish
        - they just eat stuff you throw at them
        - don't touch them or lose your hand
- a loud noise
    - a crazy looking goblin comes up
    - is is Chuck
    - he asks who will help him to cook later
    - all the party points at Calcine
    - Chuck asks what it is that Calcine has with her as food right now
    - it is croquetas de jamón
        - small ball of bechamel with cured ham bit
        - surrounded in crumbs and fried
    - Calcine makes him taste it and asks what he'd add to it
        - kind of a trick question to judge Chuck's culinary skills as it is already seasoned
        - he shows some berries he'd add to it
        - *they taste like a battery on your tongue*
- after lunch
- the crew looks apprehensive
    - they saw a big shadow in the water
    - not good news
    - Royston gets up the rigging for a better view
        - Royston inspires and Calcine guides

- it looks like the silhouette of a ship

> “ are there shadow ships ?

- crew doesn't know about shadow ships but ghost ships are a thing
- Royston confirms it is an underwater ship
- the crew looks worried

> “ oh no there only one underwater ship...

- the crew mentions it is time to start praying for our lives
- the crew was just pulling a prank...
  - it was to liven up the ride
  - as a sorry the captain offers to fire the cannon as a sorry
  - Calcine angrily takes on the offer
    - did not like getting tricked into praying to her god
    - burns the wick with her hand
    - Vincent tries to calm Calcine
- dinner time
  - Calcine doesn't eat with the crew
    - still angry
    - Vincent accompanies her
  - rest of the crew
    - Chuck brings out the meal
    - it is halfling meat
      - not halfling but something they eat themselves
      - after the explanation Jezz eats it
  - Calcine and Vincent
    - fill the blood puppet sequence later
    - Jezz saw everything
- loud noises and a crash can be heard down in the hull
  - Jezz rounds up everyone
  - there are a large barrel and chest with mouths and tentacles
    - mimics
    - a crew member is being tugged on between the 2
  - *fighting script*
    - Nybarg
      - runs in
      - crimson rite
      - transforms
    - Jezz
      - goes to the chest
      - cuts of the chests' pseudopods
      - the crew member is freed from their grasps
      - moves between the chest and the barrel
      - attacks the barrel stunning it thank to Vincent's silvery barbs

    - flurry of blows the barrel
- barrel is stunned
- Vincent casts faerie fire
    - both mimics, Jezz and crew member are affected
    - moves back in the kitchen
- Royston
    - moves to the chest
    - punches repeatedly and stuns it
- crew member flees
    - a new mimic (table) fails an attak on it
- Calcine fails a slow on *all 3 of them* ***FFS***
- table attacks the shining Jezz
- Nybarg attacks the table
- Jezz attacks the barrel
- barrel
    - sprays a caustic mist
    - Nybarg takes the full brunt and is blinded
    - Royston and Jezz mitigate the effect
- Vincent
    - walks out of the kitchen
    - unsettling words barrel
    - casts hypnotic pattern
    - table fails
- Royston
    - attacks the chest and stuns it again
    - goes to the barrel
    - attacks it
- Calcine slows table and barrel
- Nybarg
    - grapples the table
    - no longer blind
- Jezz attacks the stunned chest
- barrel
    - doesn't recharge
    - while slowed crit bites Royston down
- Vincent
    - healing word Royston
    - crit misses with the handcrossbow
- Royston
    - breakdance kicks the barrel standing up and punches it
    - patient defense
- Calcine casts life transference on Royston (-28/+56)
- chest spits on Calcine *(28 damage, I'm at 1 hp oh god)*
- table is incap
- Nybarg shoves the table in the barrel pushing it back
- Jezz attack the the chest
- barrel

    - doesn't recharge the spray
    - bite on the table in it's mouth
    - pseudopods misses Jezz and Royston
    - Jezz ripostes and misses the pseudopod
- Vincent
    - moves to the chest
    - casts shillelagh
    - misses the chest
    - inspires Nybarg

> “ I had the table under control, you were supposed to trust me !

- Royston
    - finishes of the chest
    - attacks the barrel and stuns it
- Calcine
    - heals back up a bit with healing word
    - misses barrel with toll the dead
- Captain Bronze Bones
    - moves in the room
- table
    - misses Royston with pseudopods
    - bites the barrel as revenge
- Nybarg
    - attacks and destroys the table
    - attacks the barrel
- Jezz unleashes all attacks on the barrel
- barrel is stunned
- Vincent
    - moves to the barrel
    - shillelagh misses
- Royston destroys the barrel finishing the combat
