session 12 (20/08/2024)

date is Uktar 6th 1519DR ?

- next day on the boat
  - Duck is under the weather and stays down on his bunk
  - on the deck
    - the weather is a bit rough
      - Calcine casts water walk
    - Nybarg starts learning the beadworks of the Vistani
      - Baba Javessa is teaching him
    - Vincent inspiring leader the party and captain
    - Royston helps the crew
      - learning how to do the riggings, ropes and knots
      - having a climb speed helps him as he can't really fall
    - Jezz is vibing on the deck
    - Calcine preps a hot meal on the deck
      - sauté of mushrooms and potatoes on a plancha
      - one had doing the burner and the other moving the ingredients
      - the captain likes what he is smelling asks Calcine to note the recipy for Chuck
      - Calcine will do that
      - Chuck is looking what Calcine is doing, helps and serves what she prepares
      - the crew is in a good mood after the nice and new meal
    - the wind is now blowing in a favorable direction
    - the captain mentions we are making great time
      - maybe another 2 days if we keep this luck
      - the mimic repair was good and avoided catastrophic damage
  - second half of the day
    - the temperature start to significantly drop
    - a strong mist is gathering
      - very thick
      - hard to go around
      - the captain looks very serious about it
      - mist is typically a precursor before the blending with a realm of dread
      - *not good*
      - we are about to enter a domain of dread
    - the captain continues course through it for now
      - less dangerous than failing to squirt around it
      - Calcine casts guidance on the captain
    - Vincent riffs to motivate the crew
    - the captain makes the boat go slower for safety
    - the wind starts to pick up quite a bit
      - the fog dissipates a bit because of it

        - making up for the time lost due to the speed down
    - the captain invites the party for a dinner
        - some of the Vistanis are teling tales about their stories
            - a lot are refugees from Barovia
            - there was there a vampire lord that was slained
            - they are glad the mist was no more than mist in the end and not a blending like there
        - this is the big crew dinner
        - Vincent sends a sending
            - ***REDACTED***
        - Calcine realises that today is her dad's birthday

            > “ happy birthday dad ! sorry these last days were kind of busy so i did not have time to send a letter ! Kisses Calcine

            - Flint Radko responds

            > “ Oh this is new, is this magic, did they teach you this in the city this is wonderful now...love you too

        - party goes to bed

date is Uktar 6th 1519DR ?

- next day
    - right before the morning hits
        - Royston hears a blood curdling scream
        - strong vistani has their head caved in
        - Royston shouts everybody awake
        - *fighting script*
            - Royston
                - asks the captain what happened to strong vistani
                - tries to see what happened
                    - strong vistani's head has been caved in by some sort of blunt force
                    - the weight of the hit was clean and broke the bed
                - asks defiant vistani to stay behind him and she obliges
                    - she agrees
                    - Royston grabs defiant vistani
                    - takes her to the staircase
            - defiant vistani moves upstairs and gets out
            - captain Bronze Bones
                - pulls a spyglass and looks around the room
                - they are invisible and came through the mist
                - having stuff to reveal invisible is nice or the encounter would be deadly
            - Vincent
                - gets out of the quarters

    - sees the scene
    - inspires Bronze Bones
    - casts fearie fire
        - an invisible stalker gets revealed
        - Bronze Bones gets hit also
- another invisible force slams and kills hungry vistani
- Calcine
    - gets out towards the action
    - casts toll the dead on the first invisible stalker
- Jezz
    - gets out of the bunks
    - step of the wind to the first invisible stalker
    - hits the first invisible stalker
    - less affected by this non magical damage
- Nybarg
    - activates claws
    - transforms
    - runs in the middle
    - get tagged by the second invisible stalker
    - stops near it
- Royston
    - moves to the first invisible stalker
    - punches hard on it
    - stunning strikes it
- Bronze Bones
    - pulls out Madame Ginette his scimitar
    - unloads on the first invisible stalker killing it
    - the bardic inspiration helping on the last one
    - Vincent drops fearie fire
    - pulls out from behind the barrels an old jet black battle axe
    - throws it towards Jezz
    - it is a lending and it is a +2 battleaxe
- Vincent
    - moves near where Nybarg got hit
    - casts shillelagh
    - swings where he thinks the second invisible stalker missing it
- second invisible stalker slashes at Nybarg and Vincent
- Nybarg
    - sniffs the general direction
    - moves towards the zone
    - flicks the blood of his crimson right wound revealing it
    - slashes at it
- Calcine
    - moves to next to Nybarg
    - throws her flour where the second invisible stalker was
    - it is revealed for Jezz' turn
- Jezz

        - moves to the flour covered invisible stalker
        - crits and slashes it with the new axe
        - punches and stuns it
        - the flour falls to the ground
    - Royston
        - run towards the second invisible stalker
        - hits it twice
    - Bronze Bones moves towards vistanis to protect them
    - Vincent
        - casts detect thoughts
        - can't peer deeper
        - can keep tabs on the whereabouts of the second invisible stalker
    - invisible stalker is stunned
    - Nybarg unleashes on the second invisible stalker
    - Calcine
        - summons her flame blade
        - attacks the second invisible stalker with it
    - Jezz slashes and punches killing the invisible stalker
- Vincent still hears the thoughts of everyone
    - Calcine si very stressed looking at the dead vistanis
    - Jezz thinks she is not leaving the ship without the axe
- Calcine runs towards hungry vistani
    - casts revivify
        - takes out her diamond
        - smears it with blood
        - places it on her dead chest
        - the diamond crushes itself
        - the blood and diamond powder seeps in pumping the heart back

        > “ are you ok ?

    - hands her a chef snack
    - casts life transference
- Chuck comes in with a diamond
    - mixes it in his soup
    - feeds it to the dead strong vistani
    - casting revivify on it
        - force feeds a bunch of goodberries
